The history of western fashion is quite an interesting one. The fashion industry evolves daily and western style is no exception. Women from multiple different western backgrounds have embraced the ever changing styles. The time of starched wranglers and crisp collar shirts for a night out on the town

has changed. Bell bottoms, fringe, fur, and sequins have replaced traditional cowgirl attire and continues to dominate the fashion of major rodeo events. No matter what background you come from it is easy to find your “signature style” within this new aesthetic.

With the Wrangler National Finals Rodeo (NFR) quickly approaching women everywhere are shopping for their day and night time looks. Boutique shops are filled to the rim with amaz-

ing finds and it can quickly become overwhelming. That's why I'm here to help! In this article we will go through my top 5 must do's of packing for your Vegas trip!

1. Buy items that can be transformed from daytime to nighttime. Find a killer pair of shoes or a basic pair of denim that you can dress up or down. Not only will this cut down the expense of shopping but also save you space in your suitcase for other items.

2. Comfortability is a major plus, especially for daytime looks. There is an endless amount walking in Vegas, whether you are shopping, sightseeing, or simply milling around the casinos. You are sure to get your steps in for the day. You are there to enjoy yourself, spend time finding the perfect mixture of cute and comfortable clothing.

3. As of 2017 the NFR implemented the clear bag rule. To enter the Thomas & Mack for each performance with a bag it must be completely see through. Even though they will be available everywhere for purchase in Vegas, buying before hand can save you money and some hassle. Most importantly you can make sure you find the perfect one for you!

4. Plan your outfits ahead. Planning your outfits ahead will allow you to make the most of your luggage space as well as answering every woman's question of "what am I going to wear?" This will cut down prep time and allow you to get to the fun faster. You can do this with your clothes, hair, and makeup before hand. Think of it as your checklist and you will be sure to

not forget anything!

5. Don't stress it! The best part about fashion is that it can be uniquely your own! Don't be afraid to go all out and be yourself! Find the things that make you happy and no matter what you will feel great in them!

December in Las Vegas is a place where people from all over the world congregate to share their love for the rodeo/western lifestyle. No matter what event you choose to go to while your there make a splash and have the time of your life! Get out there and make memories and most of all have fun!

USCHA will induct the first Hall Of Fame members in 2019. Nominations for the Member's Hall Of Fame will be published and available October 1, 2019. The induction ceremony will be held during the 2019 USCHA National Finals.

USCHA Hall of Fame Requirements

Open Rider: Required lifetime earnings of \$75,000 in USCHA approved classes.

Non-Pro Rider: Required lifetime earnings of \$50,000 in USCHA approved classes. This will exclude all Youth class earnings.

Individuals honored have exhibited superior moral character, good sportsmanship, fairness, and an exemplary contribution of time, effort and interest in the USCHA and its basic endeavors.

The Committee members shall review all candidates received by member presented nominations. Inductions will be limited to a maximum of two (2) inductees per year.
